

Metromont HSA Preventive Drug List

January 1, 2020

If your plan includes HSA Preventive Drug coverage as part of your prescription benefit plan. Preventive care medications are drugs that can help you prevent health problems or problems caused by a health condition. This list includes medications considered preventive by the IRS. The amount you pay will be outlined in your summary plan description for medications on this list as well as on the formulary. This information is located at <https://epiphanyrx.com/resources/members/>.

This list includes only generic prescription products. Step-therapy and quantity limits may apply. This list will be reviewed periodically and is subject to change.
