Amount of Rollover Contribution: Pre-tax Contributions and Earnings \$

# Be sure to enter all earnings on the Pre-tax Contributions and Earnings line. Contributions and earnings will remain untaxed until they are distributed.

I certify that to the best of my knowledge, the funds being rolled over consist entirely of an eligible rollover distribution from one of the following types of Plans:

- An employer retirement plan qualified under Code Section 401(a) (e.g. defined contribution plans such as 401(k), profit sharing, money purchase, and target benefit plans; defined benefit plan)
- A qualified annuity plan under Code Section 403(a)
- A custodial account or tax-sheltered annuity qualified under Code section 403(b)
- A governmental plan qualified under Code Section 457(b)
- Pre-tax rollover amounts from traditional or conduit IRAs qualified under Code Section 408(a) and 408(b)

I certify that this distribution is not (a) one of a series of substantially equal payments over my life or single life expectancy or the joint life expectancies of myself and my designated beneficiary; (b) one of a series of installment payments payable over 10 years or more; (c) all or part of a required minimum distribution; (d) a distribution due to a financial hardship; (e) a return of any excess deferrals, excess contributions, excess aggregate contributions or excess annual additions made to the plan; (f) a deemed distribution due to a loan default; or (g) a death benefit paid to a non-spouse beneficiary. I certify that this rollover is being accomplished within 60 days of my receipt of the distribution from my former employer's qualified plan or my IRA.

I hereby authorize MassMutual to contact me, the Financial Institution Representative, or Plan Administrator listed on this form if they have any questions or require further documentation to process this rollover transaction.
